Serial No.: 10/534,866  
Filed: May 12, 2005  
Docket: 2520-1058  
Title: DISPOSABLE SYRINGE WITH  
RETRACTILE NEEDLE

**Decision on Petition**

This is a decision on the petition filed Dec. 5, 2007 to withdraw holding of abandonment entered Nov. 30, 2007. This petition is being considered pursuant to 37 CFR 1.181. No fee is required.

The petition is **GRANTED**.

The application was held abandoned for failure to timely respond to the Office Action mailed on Apr. 6, 2007. Notice of abandonment was mailed on Nov. 30, 2007.

Petitioner asserts that a response to the Apr. 6, 2007 Office action was timely filed on Jul. 6, 2007. In response, the petitioner has enclosed a copy of the PTO stamped receipt bearing the date of Jul. 6, 2007 and copy of the originally filed communication.

37 CFR §1.8(b) states:

In the event that correspondence is considered timely filed by being mailed or transmitted in accordance with paragraph (a) of this section, but not received in the U.S. Patent and Trademark Office after a reasonable amount of time has elapsed from the time of mailing or transmitting of the correspondence, or after the application is held to be abandoned, or after the proceeding is dismissed, terminated, or decided with prejudice, the correspondence will be considered timely if the party who forwarded such correspondence:

- (1) Informs the Office of the previous mailing or transmission of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence;
- (2) Supplies an additional copy of the previously mailed or transmitted correspondence and certificate; and
- (3) Includes a statement which attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing or transmission. If the correspondence was sent by facsimile transmission, a copy of the sending unit's report confirming transmission may be used to support this statement.

In light of the evidence submitted and satisfied the provisions of 37 CFR § 1.8(b), there is no abandonment in fact. As such, the holding of abandonment is in error and is hereby vacated. Any inconvenience to the applicant is regrettable.
